Reservations

We recommend that you book your preferred travel dates 90-120 days in advance.

For your security (and ours), we use paypal for all payment services. A 50% deposit must be made at the time of the reservation.

The remaining 50% must be paid at least 30 days prior to your reservation.

Should your reservation be made within 30 days of the decided (and available) camp date, the entire payment must be made to hold the spot. You will need to fill out and sign a "**Release of Liability**" waiver. Please read 'Our Policies' for more information and our cancellation policy.

Lucero Retreat Rules

Although we encourage all our guests to push yourselves to your limit, this is a non-competitive environment. Our retreats are available to all guests of every Nationality, Gender, Religion, and Philosophy—whether traveling independently or within groups of up to eight.

Most importantly, we are open to surfers of all levels. There's no better place to begin surfing than here in Santa Teresa. There's no better place to improve surfing than here in Santa Teresa. All guests are expected to be in a reasonable physical condition—you must be able to swim and be free of injuries or conditions that might harm your safety.

All surfers must be eighteen years of age or older.

Costa Rica requires active passports both on arrival and departure of the country. Proof of citizenship may be required throughout the country.

All guests—whether traveling individually or within a group—must read and sign a 'Release of Liability' prior to confirmation of reservation.

Cancellation

If you must cancel your reservation, a cancellation fee will be assessed. Should you cancel more than 60 days

prior to your appointed start date, a \$200 cancellation fee will be deducted from your paid-deposit and the difference will be refunded via paypal. Should you cancel 30-60 days prior to your appointed start date, a \$500 cancellation fee will be assessed.

For those that cancel within 29 to 3 days of your start date, a 50% fee of the package cost will be charged. Should you cancel 3 days prior to your selected package, you will receive no partial refund.

Unfortunately, Lucero cannot change these rules for any reason, including personal emergencies and weather conditions.

For this purpose, we strongly urge you to consider purchasing travel insurance.

Should we have to cancel a scheduled package for any reason, you will be refunded the amount to which you have paid to hold your reservation.

We cannot, however, be held responsible for canceled travel arrangements independent of Lucero Surf Retreats.

For more information, please email us with questions.

How to get there and away

Airfare to Costa Rica is **not** included in the package. After you arrive in San Jose, you'll have a few options.

A

If time is a consideration, we recommend flying a bit further. The closest airport is Tambor (about 30-minutes from Santa Teresa).

The flight costs approximately \$70 each way, and is a 30-minute flight.

Once in Tambor, taxis are readily available and should not cost but around \$20 to Santa Teresa.

We can make this booking for you.

If you prefer to do this yourselves use the following websites.:

www.natureair.com

www.flysansa.com

B

For those of you that prefer to rough it a bit more and perhaps soak in the scenic views along the way, we suggest taking a shuttle bus.

At a cost of \$35 each way, this 7 hour trip will include a 90-minute ferry ride and

a trip through Costa Rica's countryside.

You will be picked up from the airport and dropped off at Lucero in Santa Teresa.

We'd be happy to arrange this for you on request.
